Private events

A private event organised by Forbes Slovakia offers clients the opportunity to tailor an exclusive experience for a selected target group. The themes of private events align with Forbes Slovakia's editorial focus and the specific interests of clients.

In 2024, we hosted the first gathering of this kind – a private event for **CCC PREMIUM TRUST** titled **WEALTH CLUB** Forbes Slovakia – which took place on September 11 at the Manor House Pálffy in Svätý Jur. The event focused on topics such as family businesses, trust funds, and legal services.

The venue, date, location, and pricing are subject to agreement.
